Legislative Council.

The 6th June 1857.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 29th May 1857, and is hereby promulgated for general information :—

ACT No. XII OF 1857.

An Act to authorize the arrest and detention, within the Ports of the Settlement of Prince of Wales' Island, Singapore, and Malacca, of Junks or Native Vessels suspected to be piratical.

WHEREAS there is reason to believe that certain Junks periodically visit the Ports of the said Settlement ostensibly for the purposes of trade, but in reality to equip, arm, and fit themselves out for the purpose of making piratical attacks on peaceful trading Vessels, in the vicinity of the Straits of Malacca, and elsewhere : It is hereby enacted as follows :—

I. The Chief Resident Civil Authority of any Station of the said Settlement may, by an order in writing signed by him, at any time and as often as he shall deem it expedient, direct any public Officer to proceed on board any Junk or other Native Vessel being in any Port or place within the limits of the said Station, and to search such vessel, and to take an account of the armament thereof, and to make such further and other enquiry and investigation into the objects, pursuits, and movements of the Master or person in charge of such Junk or Vessel as the said Chief Civil Authority shall think fit ; and any person who shall hinder, obstruct, or in anywise prevent such search, investigation, or enquiry, or shall obstruct such public Officer, or any person acting in his aid or assistance, in the discharge of his duty—shall, on conviction before a Magistrate of Police, be liable to a fine not exceeding five hundred Rupees, or to imprisonment, with or without hard labor, for a term not exceeding six calendar months, or to both.

II. Whenever it shall be proved, by oath or affirmation, to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there is reasonable cause to suspect that any Junk or Vessel in any Port or place within

the limits of the said Station is a piratical Vessel, or belongs to pirates, or is intended to be used for piratical purposes or for the purpose of knowingly trading with or supplying pirates, he may, by an order in writing signed by him, cause such Junk or Vessel, together with her tackle, apparel, and furniture, arms, stores, and ammunition, and the goods and merchandize laden therein, or any portion thereof, to be seized and detained.

III. Whenever any such Junk or Vessel, furniture, arms, stores, ammunition, goods, or merchandize, shall be seized and detained under the provisions of this Act, the Chief Resident Civil Authority shall report the circumstance, as soon as possible, to the Governor of the said Settlement, who shall give orders as to the detention or release of such Junk or Vessel or other things so seized or detained.

IV. The Chief Resident Civil Authority at any of the said Stations may, by order in writing signed by him, summon the Master, or person in charge, and any of the Crew of any such Junk or Vessel which he may have reasonable cause to suspect as aforesaid, or any other person, to attend before him, and to produce any document in his possession, and may examine such persons upon oath or affirmation to be administered by him, touching any matter which may appear to be material for the purpose of ascertaining whether the said Vessel is a piratical Vessel or belongs to pirates, or is intended to be used as aforesaid. Every person so summoned, who refuses or neglects to attend or make answer, or to produce any document in his possession, concerning the matters hereby authorized to be inquired into, or who wilfully gives false evidence or otherwise misbehaves in giving or refusing to give evidence, shall be liable, on conviction before a Magistrate of Police, to a fine not exceeding five hundred Rupees, or to imprisonment, with or without hard labor, for a term not exceeding six calendar months, or to both.

V. No Vessel or other things seized or detained in pursuance of the provisions herein contained, and no property on board thereof, shall be detained for a longer period than six months, unless within that time proceedings shall have been commenced for the condemnation thereof.

VI. Whenever it shall be made to appear to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there are reasonable grounds to suspect that any Junk or Native Vessel is about to proceed to Sea from any Port or place within the said Station so manned, armed, equipped, furnished, or fitted out, as to afford reasonable ground to suspect that the said Vessel is intended for piratical purposes, it shall be lawful for the said Chief Civil Authority to take such measures as may be necessary or proper to prevent such Vessel from proceeding to Sea from such Port or place, so long as the same is manned, armed, equipped, furnished, or fitted out beyond what he may deem sufficient for the due navigation and protection thereof as a Trading Vessel.

Report of seizure and detention to the Governor.

Penalty for Master or Crew refusing or neglecting to attend as witnesses, or giving false evidence.

No Vessel, or property on board thereof, to be detained beyond six months, unless proceedings have been commenced within that time.

Suspected vessels not to leave Port with increased armament, &c.

Seizure and detention of any Junk or Native Vessel suspected to be piratical.

VII. No damages shall be recovered for the seizure or detention of any Vessel or other thing in pursuance of this Act, if it shall appear that there were reasonable grounds to suspect that the Vessel or other thing so seized or detained was piratical, or belonged to any pirate or pirates, or was intended to be used for piratical purposes or for the purpose of knowingly trading with or supplying pirates; but whenever any Vessel or other thing shall be seized or detained under the provisions of this Act, proceedings may be taken in any Admiralty or Vice-Admiralty Court having jurisdiction over the place where the seizure was made, or in any division of such Court, for the condemnation or for the restitution of such Vessel or other thing; and if, in such proceeding, it shall appear to the Court that such Vessel or other thing was piratical, or belonged to pirates, or was intended to be used for piratical purposes, or for the purpose of knowingly trading with or supplying pirates, the same shall be forfeited and condemned without a previous conviction of the owner or of any other person of the crime of piracy.

No damages to be recovered for seizure on reasonable grounds of suspicion.

Condemnation or restitution of Vessel.

W. MORGAN,
Clerk of the Council.

Legislative Council.

The 6th June 1857.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 6th June 1857, and is hereby promulgated for general information :—

ACT No. XIII OF 1857.

An Act to consolidate and amend the law relating to the cultivation of the Poppy and the manufacture of Opium in the Presidency of Fort William in Bengal.

WHEREAS the existing law relating to the cultivation of the Poppy and the manufacture of Opium on account of Government is in some respects inconsistent with the practice which now obtains under agreement between the Opium Agents and the cultivators, and it is expedient that such inconsistency should be removed; and whereas it is also expedient that certain obsolete Regulations relating to the provision of Opium should be formally repealed, and that the laws for preventing the illicit cultivation of the Poppy, and for regulating the cultivation of the Poppy and the manufacture of Opium, on account of Government, should be consolidated and amended: It is enacted as follows :—

I. Regulation XXXII. 1793, Regulation XXXII. 1795, Regulation LIII. 1795, Sections I to XI

Laws repealed.

of Regulation XIII. 1816, and Clauses 1 to 5 Section XVIII and Sections XXIII and XXIV of Regulation VII. 1824, of the Bengal Code, are hereby repealed, except so far as they repeal the whole or part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred, before the passing of this Act.

II. The cultivation of the Poppy and the manufacture of Opium within the territories under the Presidency of Fort William in Bengal, except on account of Government, are hereby prohibited.

III. The superintendence of the provision of Opium for Government shall be intrusted to Agents, or other Officers, being covenanted servants of the Company, duly appointed by Government in that behalf, who shall perform the duties connected therewith under the control and direction of the Board of Revenue in Calcutta. The Agents, or other Officers as aforesaid, shall be assisted by Deputy Agents and Sub-deputy Agents, or such other Officers, covenanted or uncovenanted, as the Government may from time to time appoint for the purpose. The Collector of the District shall ordinarily, and unless Government shall otherwise direct, be *ex-officio* Deputy Agent; and the relative duties and powers of the Deputy Agents and Sub-deputy Agents shall be from time to time regulated by the said Board with the sanction of Government.

IV. The Opium Agents, and their subordinate Officers of every description, are declared amenable to the Civil Courts for all acts done by them in their official capacity, except as otherwise herein provided. But no suit shall be instituted against an Agent, or any subordinate Officer, for any act done in his official capacity, unless the person who shall consider himself aggrieved by the act of such Agent or Officer shall have first made application for redress to the Agent himself. In the event of such person not being satisfied with the order which the Agent may pass upon his application, it shall then be competent to him either to lay his case by petition before the Board of Revenue, or at once to seek redress in the Civil Court.

V. The Opium Agents shall not in their official capacity institute any suit in a Civil Court without the previous sanction of the Board of Revenue.

VI. In cases in which the Board of Revenue may judge it expedient, or in which they may be so directed by Government, they may take upon themselves, or entrust to an Officer specially appointed for the purpose, the superintendence of the prosecution or defence of any suit or appeal in which they, or an Agent, or any other Officer subordinate to them, may be engaged, instead of leaving such superintendence to the Agent or any other Officer.

Opium Agent not to sue without sanction of Board of Revenue.

Board of Revenue may in certain cases appoint an Officer to conduct or defend suits.

VII. The Board of Revenue, with the sanction of Government, shall from time to time fix the limits within which licenses may be given for the cultivation of the Poppy on account of Government. With the like sanction they shall from time to time fix the price to be paid to the cultivators for the Opium produced. The price shall be fixed at a certain sum per seer of eighty tolas for Opium of a certain standard consistence, and shall be subject to a rateable reduction, according to a scale sanctioned by the Board of Revenue, for Opium of a consistence below the standard.

VIII. The Sub-deputy Agents, or other Officers entrusted with the superintendence of the cultivation, shall, at the proper period of the year, issue licenses to the cultivators, who may choose to engage to cultivate the Poppy, and to deliver the produce to the Officers of Government at the established rates. Every license shall specify the number of beegahs which the party engages and is authorized to cultivate, and shall be in such form as the Agent, with the sanction of the Board of Revenue, may direct. A counterpart engagement, in conformity with the tenor of the license, shall be taken from the cultivator.

IX. It shall be at the option of every cultivator to enter into engagements for the cultivation of the Poppy or not as he may think fit; and any Sub deputy Agent or other Officer as aforesaid, or any inferior Officer employed in the provision of Opium, who shall compel, or use any means to compel, any cultivator to enter into engagements, or to receive advances, for the cultivation of the Poppy, shall be liable to be dismissed from his situation. It shall be at the option of the Sub-deputy Agent, or other Officer as aforesaid, to withhold a license from any cultivator whenever he may think proper so to do. Any person to whom a license has been refused may appeal to the Agent, and the decision of the Agent shall be final.

X. If it shall be found that any cultivator, who has received advances from Government, has not cultivated the full quantity of land for which he received such advances, he shall be liable to a penalty of three times the amount of the advances received for the land which he has failed to cultivate; and the said penalty may be adjudged by the Deputy Agent or Collector, on the complaint of the Sub-deputy Agent or other Officer as aforesaid. Any person dissatisfied with the judgment of the Deputy Agent or Collector may appeal to the Agent, and the decision of the Agent shall be final.

XI. All Opium the produce of land cultivated with Poppy on account of Government, shall be delivered by the cultivators to the Sub-deputy Agents or other District Officers, or shall

be brought by them to the Sudder Factory, as the Agent may direct. And no such Opium shall be liable to be distrained or attached by a Zemindar or other proprietor, or a farmer of land, for the recovery of arrears of rent, or by any other creditor of a cultivator under any order or decree of Court, but the sum due to the cultivator on account of such Opium may be attached by order of Court in the hands of the Agent or of the District Officer under the rules in force for such attachments.

XII. All Opium delivered by the cultivators to the Sub-deputy Agent or other District Officer, shall, before it is forwarded to the Sudder Factory, be weighed, examined, and classified according to its quality and consistence by that Officer, or his assistant if duly authorized by the Agent in that behalf, in the presence of the cultivators and in conformity with rules sanctioned by the Board of Revenue. Any cultivator, who may be dissatisfied with the classification of the District Officer, shall be at liberty either to take his Opium to the Sudder Factory, or to have it forwarded thither by such Officer separate from the Opium respecting which no dispute has arisen.

XIII. All Opium forwarded by the District Officers to the Sudder Factory, and all Opium delivered at the Sudder Factory by the cultivators, shall be there weighed and examined by the Opium Examiner, or other Officer duly authorized in that behalf, agreeably to rules sanctioned by the Board of Revenue; and the quality and consistence of the Opium, and the deductions from, or additions (if any) to the standard price to be made in accordance with the said rules, shall be determined by the result of such examination. The decision of the Examiner, or of the Agent in cases in which a reference to the Agent may be prescribed by the said rules, shall be final and conclusive, and not open to question in any Court.

XIV. When Opium delivered by a cultivator either to a District Officer, or at the Sudder Factory, is suspected of being adulterated with any foreign substance, it shall be immediately sealed up pending examination by the Opium Examiner, and notice of such intended examination shall be given to the cultivator. If upon such examination the Opium shall be found to be so adulterated, the Agent on the report of the Examiner may order that it be confiscated; and the order of the Agent shall be final, and not open to question in any Court.

XV. The weights and scales made use of in the Sudder Factories, and at the District Mothees shall be provided by the Board of Revenue. Every District Officer shall annually, before beginning to weigh the Opium of the season, examine the weights and scales in use in his District, and shall report the result of such examination to the Agent. The Agent shall make a similar examination of the weights and scales of the Sudder Factory, and shall report the result to the Board. No weights

or scales shall be made use of which on any such examination have not been found to be strictly accurate. It shall be the duty of all Officers who may superintend the weighing of Opium, to see that the Opium is weighed fairly with an even beam, and the practice of taking excess weight for the purpose of turning the scale, or as an allowance for dryage and wastage, is hereby prohibited.

XVI. The accounts of the cultivators shall be adjusted annually by the District Officers as soon after the conclusion of the weighing and examination as possible; and any balance that may remain due from any cultivator, or from any muhto or intermediate manager, may be recovered by the District Officer by distress and sale of the property of the defaulter or of his surety, in the same manner and under the same rules as the property of defaulting cultivators in estates held khas may be distrained and sold by the Collector for the recovery of an arrear of rent or Revenue. Provided that no warrant of distress and sale shall be issued by any District Officer without the sanction of the Agent previously obtained.

XVII. Any Officer of the Opium department who shall receive any fee, gratuity, perquisite, or allowance, either in money or effects, under any pretence whatsoever, from any cultivator, or from any other person employed or concerned in the provision of Opium, other than the authorized allowances of his situation, shall be dismissed from his office, and, on conviction before a Magistrate, shall be liable to a fine not exceeding five hundred Rupees.

XVIII. If any zemindar, or other proprietor of land, or any farmer of land, shall exact from any ryot on account of his Poppy land, any illegal cess or any higher rate of rent than he is lawfully entitled to demand, the ryot, or the Sub-deputy Agent or other District Officer on his behalf, may institute a suit before the Collector, and recover from such proprietor or farmer the sum exacted by him in excess of his lawful demand, together with a penalty of treble the amount of such excess; and such suit shall be tried according to the rules prescribed for suits instituted before a Collector relating to arrears or exactions of rent.

XIX. Any cultivator entering into engagements for the cultivation of the Poppy on account of Government, who may embezzle, or otherwise illegally dispose of, any part of the Opium produced, shall be liable to a penalty not exceeding ten times the fixed price of the Opium which he may be proved to have so disposed of, or to a fine not exceeding five hundred Rupees, if the amount of the said penalty be less than that sum, and the Opium, if found, shall be liable to confiscation.

XX. Any person purchasing or receiving any Opium from a cultivator or other person who may have entered into engagements for the cultivation of the Poppy, or who may be employed in the provision of Opium on account of Government, or bargaining for the

purchase of Opium with such cultivator or person, or in any way causing or encouraging such cultivator or person to embezzle or illegally dispose of any Opium, and any Officer of the Opium department conniving in any way at the embezzlement or illegal disposal of any Opium, shall be liable to a fine not exceeding one thousand Rupees, unless the Opium purchased, bargained for, or illegally disposed of, shall exceed the weight of thirty-one seers and a quarter, in which case the fine may be increased, at a rate not exceeding thirty-two Rupees per seer for all such Opium in excess of that weight; and the Opium, if found, shall be liable to confiscation.

XXI. Any person who shall cultivate the Poppy without license from a Sub-deputy Agent or other Officer duly authorized in that behalf, and any person who shall in any way cause, encourage, or promote such illegal cultivation, shall be liable to a fine not exceeding five hundred Rupees, unless the quantity of land so illegally cultivated shall exceed twenty beegahs, in which case the fine may be at the rate of twenty-five Rupees per beegah; and the Poppy plants shall be destroyed, or, if any Opium have been extracted from them, it shall be seized and confiscated. If the Opium shall have been extracted and shall not be seized, the offender shall be liable to a further fine not exceeding the rate of thirty-two Rupees per beegah of land illegally cultivated.

XXII. All proprietors, farmers, tihseeldars, gomashthas, and other managers of land, shall give immediate information to the Police or Abkaree Darogahs, or Opium Gomashthas, or to the Magistrates, Collectors, or Officers in charge of the Abkaree Mehal, or to the Agents, their Deputies, or Sub-deputies, of all Poppy which may be illegally cultivated within the estates or farms held or managed by them; and every proprietor, farmer, tihseeldar, gomashthah, or other manager of land, who shall knowingly neglect to give such information, shall be liable to the penalties for illegal cultivation prescribed in the last preceding Section.

XXIII. All Police and Abkaree Darogahs, and Opium Gomashthas, and all native Officers of Government of whatever description, and all Chowkeydars, Pykes, and other village Police Officers, shall give immediate information to the authority to which they are subordinate when it may come to their knowledge that any land has been illegally cultivated with Poppy; and such authority shall transmit the information to the Sub-deputy Agent, or other Officer superintending the cultivation of the Poppy, if in a District where the Poppy is cultivated on account of Government, or to the Collector or Officer in charge of the Abkaree Mehal, if in a District where the Poppy is not so cultivated. Every Police or Abkaree Darogah, Opium Gomashthah, Native Officer, Chowkeydar, or other Police Officer as aforesaid, who shall neglect to give such information, or shall in any respect connive at the illicit cultivation of the Poppy, shall be liable to a fine not exceeding one thousand Rupees if the offender be an Officer of the Opium department, or in any other case to a fine not exceeding five hundred Rupees.

XXIV. Whenever a Police or Abkaree Darogah or Opium Gomashah shall receive intelligence of any land within his jurisdiction having been illegally cultivated with Poppy, he shall immediately proceed to the spot, and if the information be correct, shall attach the crop so illegally cultivated, and report the same without delay to the authority to which he may be subordinate. He shall at the same time take security from the cultivator of the said land for his appearance before the Magistrate; and in the event of such cultivator not giving the required security, he shall send him in custody to the Magistrate.

XXV. Proprietors, farmers, tulseeldars, gomastahs, and other managers of land, shall be at liberty to attach any Poppy grown in opposition to the provisions of this Act in any estate or farm held or managed by them, and shall immediately report such attachment to the nearest Police or Abkaree Darogah, or Opium Gomashah, who shall thereupon proceed in conformity with the rules contained in the last preceding Section.

XXVI. Except as otherwise herein provided, all fines, penalties, and confiscations prescribed by this Act shall be adjudged by the Magistrate on the information of the Deputy Agent or Sub-deputy Agent in Districts in which the Poppy is cultivated on account of Government, and in other Districts on the information of the Collector or Officer in charge of the Abkaree Mehal; provided that no information of an offence against this Act shall be admitted unless it be preferred within the period of one year after the commission of the offence to which the information refers.

XXVII. When any person is sentenced to pay any fine or penalty under this Act, such person, in default of payment of the same, may be imprisoned by order of the Magistrate for any time not exceeding six months, or until the fine is sooner paid.

XXVIII. Whenever any person shall be convicted of an offence against this Act after having been previously convicted of a like offence, he shall be liable, in addition to the penalty attached to such offence, to imprisonment for a period not exceeding six months; and a like punishment of imprisonment not exceeding six months shall be incurred, in addition to the punishment which may be inflicted for a first offence, upon every subsequent conviction after the second.

XXIX. WEDNESDAY, JUNE 17, 1857.

Legislative Council.

The 6th June 1857.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 29th May 1857, and is hereby promulgated for general information :—

ACT NO. XII OF 1857.

An Act to authorize the arrest and detention, within the Ports of the Settlement of Prince of Wales' Island, Singapore, and Malacca, of Junks or Native Vessels suspected to be piratical.

WHEREAS there is reason to believe that certain Junks periodically visit the Ports of the said Settlement ostensibly for the purposes of trade, but in reality to equip, arm, and fit themselves out for the purpose of making piratical attacks on peaceful trading Vessels, in the vicinity of the Straits of Malacca, and elsewhere : It is hereby enacted as follows :—

I. The Chief Resident Civil Authority of any Station of the said Settlement may, by an order in writing signed by him, at any time and as often as he shall deem it expedient, direct any public Officer to proceed on board any Junk or other Native Vessel being in any Port or place within the limits of the said Station, and to search such vessel, and to take an account of the armament thereof, and to make such further and other enquiry and

investigation into the objects, pursuits, and movements of the Master or person in charge of such Junk or Vessel as the said Chief Civil Authority shall think fit ; and any person who shall hinder, obstruct, or in anywise prevent such search, investigation, or enquiry, or shall obstruct such public Officer, or any person acting in his aid or assistance, in the discharge of his duty—shall, on conviction before a Magistrate of Police, be liable to a fine not exceeding five hundred Rupees, or to imprisonment, with or without hard labor, for a term not exceeding six calendar months, or to both.

II. Whenever it shall be proved, by oath or affirmation, to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there is reasonable cause to suspect that any Junk or Vessel in any Port or place within the limits of the said Station is a piratical Vessel, or belongs to pirates, or is intended to be used for piratical purposes or for the purpose of knowingly trading with or supplying pirates, he may, by an order in writing signed by him, cause such Junk or Vessel, together with her tackle, apparel, and furniture, arms, stores, and ammunition, and the goods and merchandize laden therein, or any portion thereof, to be seized and detained.

III. Whenever any such Junk or Vessel, furniture, arms, stores, ammunition, goods, or merchandize, shall be seized and detained under the provisions of this Act, the Chief Resident Civil Authority shall report the circumstance, as soon as possible, to the Governor of the said Settlement, who shall give orders as to the detention or release of such Junk or Vessel or other things so seized or detained.

IV. The Chief Resident Civil Authority at any of the said Stations may, by order in writing signed by him, summon the Master, or person in charge, and any of the Crew of any such Junk or Vessel which he may have reasonable cause to suspect as aforesaid, or any other person, to attend before him, and to produce any document in his possession, and may examine such persons upon oath or affirmation to be administered by him, touching any matter which may appear to be material for the purpose of ascertaining whether the said Vessel is a piratical Vessel or belongs to pirates, or is intended to be used as aforesaid. Every person so summoned, who refuses or neglects to attend or make answer, or to produce any document in his possession, concerning the matters hereby authorized to be inquired into, or who wilfully gives false evidence or otherwise misbehaves in giving or refusing to give evidence, shall be liable, on conviction before a Magistrate of Police, to a fine not exceeding five hundred Rupees, or to imprisonment, with or without hard labor, for a term not exceeding six calendar months, or to both.

V. No Vessel or other things seized or detained in pursuance of the provisions herein contained, and no property on board thereof, shall be detained for a longer period than six months, unless within that time proceedings shall have been commenced for the condemnation thereof.

VI. Whenever it shall be made to appear to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there are reasonable grounds to suspect that any Junk or Native Vessel is about to proceed to Sea from any Port or place within the said Station so manned, armed, equipped, furnished, or fitted out, as to afford reasonable ground to suspect that the said Vessel is intended for piratical purposes, it shall be lawful for the said Chief Civil Authority to take such measures as may be necessary or proper to prevent such Vessel from proceeding to Sea from such Port or place, so long as the same is manned, armed, equipped, furnished, or fitted out beyond what he may deem sufficient for the due navigation and protection thereof as a Trading Vessel.

VII. No damages shall be recovered for the seizure or detention of any Vessel or other thing in pursuance of this Act, if it shall appear that there were reasonable grounds to suspect that the Vessel or other thing so seized or detained was piratical, or belonged to any pirate or pirates, or was intended to be used for piratical purposes or for the purpose of knowingly trading with or supplying pirates; but whenever any Vessel or other thing shall be seized or detained under the provisions of this Act, proceedings may be taken in any Admiralty or Vice-Admiralty Court having jurisdiction over the place where the seizure was made, or in any division of such Court, for the condemnation or for the restitution of such

Vessel or other thing; and if, in such proceeding, it shall appear to the Court that such Vessel or other thing was piratical, or belonged to pirates, or was intended to be used for piratical purposes, or for the purpose of knowingly trading with or supplying pirates, the same shall be forfeited and condemned without a previous conviction of the owner or of any other person of the crime of piracy.

W. MORGAN,
Clerk of the Council.

Legislative Council.

The 6th June 1857.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 6th June 1857, and is hereby promulgated for general information :—

ACT No. XIII OF 1857.

An Act to consolidate and amend the law relating to the cultivation of the Poppy and the manufacture of Opium in the Presidency of Fort William in Bengal.

WHEREAS the existing law relating to the cultivation of the Poppy and the manufacture of Opium on account of Government is in some respects inconsistent with the practice which now obtains under agreement between the Opium Agents and the cultivators, and it is expedient that such inconsistency should be removed; and whereas it is also expedient that certain obsolete Regulations relating to the provision of Opium should be formally repealed, and that the laws for preventing the illicit cultivation of the Poppy, and for regulating the cultivation of the Poppy and the manufacture of Opium on account of Government, should be consolidated and amended: It is enacted as follows :—

I. Regulation XXXII. 1793, Regulation XXXII. 1795, Regulation LIII. 1795, Sections I to XL of Regulation XIII. 1816, and Clauses 1 to 5 Section XVIII and Sections XXIII and XXIV of Regulation VII. 1824, of the Bengal Code, are hereby repealed, except so far as they repeal the whole or part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred, before the passing of this Act.

II. The cultivation of the Poppy and the manufacture of Opium within the territories under the Presidency of Fort William in Bengal, except on account of Government, are hereby prohibited.

III. The superintendence of the provision of Opium for Government shall be intrusted to Agents, or other Officers, being covenanted servants of the Company, duly appointed by Government in that behalf, who shall perform the duties connected therewith under the control and direction of the Board of

Revenue in Calcutta. The Agents, or other Officers as aforesaid, shall be assisted by Deputy Agents and Sub-deputy Agents, or such other Officers, covenanted or uncovenanted, as the Government may from time to time appoint for the purpose. The Collector of the District shall ordinarily, and unless Government shall otherwise direct, be *ex-officio* Deputy Agent; and the relative duties and powers of the Deputy Agents and Sub-deputy Agents shall be from time to time regulated by the said Board with the sanction of Government.

IV. The Opium Agents, and their subordinate Officers of every description, are declared amenable to the Civil Courts for all acts done by them in their official capacity, except as otherwise herein provided. But no suit shall be instituted against an Agent, or any subordinate Officer, for any act done in his official capacity, unless the person who shall consider himself aggrieved by the act of such Agent or Officer shall have first made application for redress to the Agent himself. In the event of such person not being satisfied with the order which the Agent may pass upon his application, it shall then be competent to him either to lay his case by petition before the Board of Revenue, or at once to seek redress in the Civil Court.

V. The Opium Agents shall not in their official capacity institute any suit in a Civil Court without the previous sanction of the Board of Revenue.

VI. In cases in which the Board of Revenue may judge it expedient, or in which they may be so directed by Government, they may take upon themselves, or entrust to an Officer specially appointed for the purpose, the superintendence of the prosecution or defence of any suit or appeal in which they, or an Agent, or any other Officer subordinate to them, may be engaged, instead of leaving such superintendence to the Agent or any other Officer.

VII. The Board of Revenue, with the sanction of Government, shall from time to time fix the limits within which licenses may be given for the cultivation of the Poppy on account of Government. With the like sanction they shall from time to time fix the price to be paid to the cultivators for the Opium produced. The price shall be fixed at a certain sum per seer of eighty tolahs for Opium of a certain standard consistence, and shall be subject to a rateable reduction, according to a scale sanctioned by the Board of Revenue, for Opium of a consistence below the standard.

VIII. The Sub-deputy Agents, or other Officers entrusted with the superintendence of the cultivation, shall, at the proper period of the year, issue licenses to the cultivators, who may choose to engage to cultivate the Poppy, and to deliver the produce to the Officers of Government at the

What to be specified in license.

established rates. Every license shall specify the number of beegahs which the party engages and is authorized to cultivate, and shall be in such form as the Agent, with the sanction of the Board of Revenue, may direct. A counterpart engagement, in conformity with the tenor of the license, shall be taken from the cultivator.

IX. It shall be at the option of every cultivator to enter into engagements for the cultivation of the Poppy or not as he may think fit; and any Sub-deputy Agent or other Officer as aforesaid, or any inferior Officer employed in the provision of Opium, who shall compel, or use any means to compel, any cultivator to enter into engagements, or to receive advances, for the cultivation of the Poppy, shall be liable to be dismissed from his situation. It shall be at the option of the Sub-deputy Agent, or other Officer as aforesaid, to withhold a license from any cultivator whenever he may think proper so to do. Any person to whom a license has been refused may appeal to the Agent, and the decision of the Agent shall be final.

X. If it shall be found that any cultivator, who has received advances from Government, has not cultivated the full quantity of land for which he received such advances, he shall be liable to a penalty of three times the amount of the advances received for the land which he has failed to cultivate; and the said penalty may be adjudged by the Deputy Agent or Collector, on the complaint of the Sub-deputy Agent or other Officer as aforesaid. Any person dissatisfied with the judgment of the Deputy Agent or Collector may appeal to the Agent, and the decision of the Agent shall be final.

XI. All Opium the produce of land cultivated with Poppy on account of Government, shall be delivered by the cultivators to the Sub-deputy Agents or other District Officers, or shall be brought by them to the Sudder Factory, as the Agent may direct. And no such Opium shall be liable to be distrained or attached by a Zemindar or other proprietor, or a farmer of land, for the recovery of arrears of rent, or by any other creditor of a cultivator under any order or decree of Court, but the sum due to the cultivator on account of such Opium may be attached by order of Court in the hands of the Agent or of the District Officer under the rules in force for such attachments.

XII. All Opium delivered by the cultivators to the Sub-deputy Agent or other District Officer, shall, before it is forwarded to the Sudder Factory, be weighed, examined, and classified according to its quality and consistence by that Officer, or his assistant if duly authorized by the Agent in that behalf, in the presence of the cultivators and in conformity

with rules sanctioned by the Board of Revenue.

Proceeding where cultivator is dissatisfied with classification.

Any cultivator, who may be dissatisfied with the classification of the District Officer, shall be at liberty either to take his Opium to the Sudder Factory, or to have it forwarded thither by such Officer separate from the Opium respecting which no dispute has arisen.

XIII. All Opium forwarded by the District Officers to the Sudder Factory, and all Opium delivered at the Sudder Factory by the cultivators, shall be

there weighed and examined by the Opium Examiner, or other Officer duly authorized in that behalf, agreeably to rules sanctioned by the Board of Revenue; and the quality and consistence of the Opium, and the deductions from, or additions (if any) to the standard price to be made in accordance with the said rules, shall be determined by the result of such examination. The decision of the Examiner, or of the Agent in cases in which a reference to the Agent may be prescribed by the said rules, shall be final and conclusive, and not open to question in any Court.

XIV. When Opium delivered by a cultivator either to a District Officer, or at the Sudder Factory, is suspected of being adulterated

with any foreign substance, it shall be immediately sealed up pending examination by the Opium Examiner, and notice of such intended examination shall be given to the cultivator. If upon such examination the Opium shall

be found to be so adulterated, the Agent on the report of the Examiner may order that it be confiscated; and the order of the Agent shall be final, and not open to question in any Court.

Every District Officer shall annually, before beginning to weigh the Opium of the season, examine the weights and scales in use in his District, and shall report the result of such examination to the Agent. The Agent shall make a similar examination of the weights and scales of the Sudder Factory, and shall report the result to the Board. No weights or scales shall be made use of which on any such examination have not been found to be strictly accurate. It shall be the duty of all Officers who may superintend the weighing of Opium, to see that the Opium is weighed fairly with an even beam, and the practice of taking excess weight for the purpose of turning the scale, or as an allowance for dryage and wastage, is hereby prohibited.

XVI. The accounts of the cultivators shall be

adjusted annually by the District Officers as soon after the conclusion of the weighing and examination as possible; and any balance that may remain due from any cultivator, or from any muhto or intermediate manager, may be recovered by the District Officer by distress and sale of the property of the defaulter or of his surety, in the same manner and under the same rules as the property of defaulting cultivators in estates held khas may be distrained and sold by the Collector for the recovery of an arrear of rent
